

## Product: 07K3020 Zelmo Blue Bio 100% Vilofarm

### 1. Identification of the substance / preparation and of the company/undertaking

Productname:	<b>Zelmo Blue Bio 100% Vilofarm</b>
Intended use:	Animal Feed Additives
Company	<b>TWILMIJ B.V.</b>
Address	Houtbeekweg 4 3776 LZ Stroe - Nederland
Telephone	00 31 (0) 342-441781
Fax	00 31 (0) 0342-442114
E-mail	info@twilmij.nl
Website	www.twilmij.nl
Emergency Telephone number:	00 31 (0) 342-441781

### 2. Hazards identifications

Not regarded as a health or environmental hazard current legislation.

### 3. Compositions/information on ingredients

Look at the productspecification

### 4. First Aid measures

Eye contact	Immediately rinse with water and seek medical advice
Inhalation	Keep patient calm and guide to fresh air
Skin contact	Rinse of immediately with plenty water and soap
Ingestion	Do not induce vomiting. Consult a doctor if necessary

### 5. Fire-fighting measures

Fire fighting equipment:	Water
Personal protection equipment:	If necessary use breathing system when fighting the fire.
Environmental precautions:	Collect extinguishing water and waste as much as possible

### 6. Accidental release measures

Look at point 8, Exposure controls / personal protection

### 7. Handling and storage

Handling	Avoid dust formation
Storage	Store it dry and cool
Use	No details

### 8. Exposure controls / personal protection

**8.1 Limits for exposure:** not applicable (NA)

**8.2 Adjustments to control exposure:**

Fire	Smoking and fire prohibited
Breathe	Wear suitable mask with particle filter P2
Skin protection	Wear impervious gloves
Eye protection	Safety glasses

### 9. Physical and chemical properties

Solubility:	No data available
Viscositeit:	No data available
Vapour density	No data available
Evaporation rate	No data available
Proportionality factor: n-octanol/water	No data available
pH.	No data available
Boilling-point:	> 60 °C
Flash point:	No data available
Explosive characteristic	No data available
Vapour pressure	No data available
Specific weight	No data available

## 10. Stability and reactivity

This product is stable when used and stored under normal conditions. Fumes that are hazardous to health could be released due to pyrolysis or in cases of fire.

## 11. Toxicological information

No details

## 12. Ecological information

No details

## 13. Disposal considerations

If possible re-use

National and local laws need to be taken into account

## 14. Transport information

### Transport by truck or train:

ADR/RID-Class:	Not classified
Packaging group:	Not classified
Label:	Not classified
Kemmlernr.:	Not classified
Limited Quantity:	Not classified
Restrictiecode for tunnel:	Not classified

### Transport by water

IMO-Class:	Not classified
Packaging group:	Not classified
Label:	Not classified
EMS:	Not classified
Sea pollution:	Not classified

## 15. Regulatory information

According to EU-guidelines this product is no subject to labeling  
Directive 88/37/EEG (Preparation directive)

## 16. Other information

### General Bibliography:

1. Guideline 1999/45/EG and its following changes
2. Guideline 67/548/EEG and its following changes and adjustments (XXIX technical adjustment)
3. Regulation (EG) 1272/2008 of the European Assembly
4. Regulation (EG) 1907/2006 of the European Assembly (REACH)
5. The Merck. Ed. 10
6. Handling Chemical Safety
7. Niosh - Registry of Toxic Effects of Chemical Substances
8. INRS - Fiche Toxicologique
- Patty - Industrial Hygiene and Toxicology
10. N.I. Sax - Dangerous prperties of Industrial Materials - 7 Ed. 1989

This safety data sheet is made with utmost care and based on current knowledge and information

The user is obligated to use this product carefully and in line with the actuals laws

The compiler does not accept any responsibility for material and/or immaterial damage of any kind by the usage of this safety data sheet

The information in this safety data sheet only provides relevant risks of the compound.

The information is based on actual rules and standards according to the guidelines 1999/45/EG, 94/55/EG, 98/24/EG, 67/548/EEG, 89/686/EEG, and the associated amendments and appendices
